Friday 6th November 2026 – Hobbits' Newsletter

Our School Mission is what God sent us into the world to do – to help build His kingdom through learning, playing and making friends together.

The tools we will use to do this are:

Loving, Caring, Sharing, Trusting, Respect.

Our theme for reflection this week was 'justice'. The children have discussed the meaning of this and have reflected on examples.

RE: The children enjoyed celebrating Hinduism Day on Monday with the supply teacher. They focussed on learning about their God and created some beautiful art.

Maths: We have been focussing on creating arrays and looking at multiples of 2, 3, 5 and 10.

English: In English, we have started our new book 'Ug'. The children have made predictions about this book and thought about what it reminds them of.

Science: The children have explored why we need forces to make things move. They carried out a class experiment to find this out.

This week Eddie was our Maths Master and Alfie was our Stella Writer. We celebrated Cyrus for always showing respect to the adults in school and Sequoia for always being kind and caring to others.

Teacher message:

Our class attendance this week: 99%

Thank you for being so understanding with the school trip this week. I will send you an update via email to make you aware when this has been rescheduled for.

On Tuesday, we have our author talk. Please can your child dress appropriately for the walk as it may be cold and wet.

Have a great weekend.
