Year 5 Griffins Homework Grid – Autumn Term 2

Please try and complete at least one task each week!

Please also try to read daily to an adult at home and make sure it is logged in your reading record. Make sure to practise your spellings in readiness for the test on Fridays and log on to TTRockstars as often as you can.

Maths Worksheets will be uploaded to the website weekly (every Wednesday) or may be given to children individually to support the learning we are doing in class. If you need the sheet printing off, please email me or speak to me at drop-off or collection ☺	**English/GPS** Write a persuasive letter campaigning for people to look after the environment! Please make sure you are practising spellings too!	**Science** Grow some watercress or a different herb and use it within your cooking. For example, make an egg and cress sandwich! 
Computing Film a video on a tablet, phone or any device at home with a camera function. Then, have a go at editing the video. This could be a dance or you could do a puppet show – anything you like!	**An idea of your own!** Design, create, invent, model, draw, write, act, whatever you like!	**Catholic Social Teaching** Are you able to donate some items to help the Sunshine Team to make up some Christmas bags for the Homeless or are you able to make a Christmas card that we can put into the Christmas bags? Items we are collecting include toothpaste, socks, gloves, hats, chocolate, soap, scarves, toothbrushes, roll on deodorant.
Geography Design a globe – this could be 3D or a drawing! Then pick a country in any of the continents, except Europe and compare it to the UK.	**Art** We're looking at Botanical Art this term – create a wreath in readiness for Christmas. You could draw a design or make one!	**RE** Write and illustrate a poem about the time of Advent.
