Unicorns Newsletter – Friday 16th October 2026

Our school mission is what God sent us into the world to do – to help build His Kingdom through learning, playing and making friends together.

The tools we will use to do this are:

Caring Sharing Love Trust Respect

R.E: The theme for reflection this week has been 'Helping Others'. We have discussed ways that our school and the community help others and how celebrating the harvest festival supports this. In RE, the children have learnt about the sacrament of baptism and what it means to a Catholic. Half of the class also attended a class mass in our school chapel.

What have the Unicorns been learning this week?

- In our maths lessons, we have continued our learning about addition, subtraction, multiplication and division. The children have discovered a method to work out long division questions. Ask them how to work out a question and they should be able to demonstrate it to you.
- This week we have been writing a story as part of the '500 word story' competition. The children are nearly finished and I look forward to reading the final entries.
- In science, we started to learn about microorganism.
- In art, we have finished our final art pieces that were inspired by the work of Paul Nash.

Key dates for Term 1

- Monday 19th October – Immunisation in school (email has been sent with information regarding consent or withdrawal.
- Tuesday 20th & Thursday 22nd October – Parents Evening (appointments need to be booked via Arbor)

More dates to follow…

Class attendance

93.79%

Our superstars this week are **Dilly & Emilie!** Well done!

Class choice – A Unicorn will be selected at random to be celebrated each week and the class will decide why that person deserves to be celebrated.

The class choice this week was **Dilly**.

Dilly was celebrated because 'she is a good friend, she works hard and she is good at sharing'

Emilie is a wonderful member of the class who always tries her best. She radiates positivity and follows our school values every day.

REMINDERS

- P.E is on **Thursday** this week. Please can you ensure that your child is wearing the correct P.E kit to school.
- Please ensure that your child has a waterproof coat/jacket for playtimes as the weather does seem to change very quickly at the moment.

We wanted to say that we are proud of everyone who took part in the Kent/Shepway tests. No matter what the result is, we are proud of all of you for demonstrating determination and resilience throughout.

Enjoy you weekend. See you all on Monday.

From Mrs Cox & Miss O'Hagan
